WINDOWS 10 VPN VISUAL AID

Complete instructions for installing and connecting to the Virtual Private Network (VPN) portal, accessing GlobalProtect offsite, and remote network access (accessing files stored on the administrative file server) are available online (http://it.tmcc.edu).

Please contact TMCC Information Technology if you require assistance.

Instructions for Windows 10 with Visual Aids

To install, click on the "GlobalProtect64.msi" install, located on the bottom left corner of the GlobalProtect Portal screen.

Click "Run" .
